

# Disposable Bouffant Cap

---

MeGuard Disposable Bouffant Caps are made of lightweight spun-bond non-woven material, are flexible and easy to put on. Their flexible sizing conforms to most hairstyles. Bouffant-style caps provide some fluid repellent and feature a comfortable elastic band to hold cap securely on head.

## Features

- Lightweight, soft material
- Designed for fast, easy application and removal
- Disposable and hygienic
- Flexible sizing conforms to most hair styles
- Not made with natural rubber latex
