

Non-woven Shoe Covers-Non-skid

Machine Made

Hand Made

Meguard™ Shoe Covers are designed to protect your feet from dirt, spills, and potentially infectious liquids and materials, as well as accidents due to wet or dry conditions.

Shoe covers are non-conductive and are available in two sizes: Medium, Large & X-Large.

Features

- Breathable, water-repellent material keeps feet cool and dry
- No-slip elastic top keeps cover securely in place
- Available with Machine made and Hand made
- Not made with natural rubber latex
